Heritage Society*

Dear _____,

The Venetia Heritage Society (VHS) has initiated its annual Fundraising Campaign. The generous financial support from individuals, businesses and organizations in our community helps to preserve the historic former Venetia School, now 95 years old! It is one of the oldest 20th Century structures in Peters Township.

It is because of donors such as you/your organization, that we have been able to preserve a piece of local history, as well as repair and keep this facility open for use. It is home to several non-profit groups such as the PT Girl Scouts, The DARE Model RR Club, the Area Council on Aging, and the PT Rowing Club.

The VHS has set a goal to repurpose parts of the **Venetia Community Center**, and eventually encourage local businesses to locate here, so that we can receive income to address rising maintenance costs. First we must pass township inspection by making capital improvements such as: repair the outside masonry, replace the windows, and repaint the interior.

With your generous financial contribution we can insure that this historic structure remains a viable part of the Venetia community. Please join us and other local businesses and organizations in protecting this piece of Peters Township's past for future generations. All donors are recognized on our website at <http://www.venetiaheritagesociety.org/donors-and-contributors.html>. We will also post those names in our building to recognize your contribution towards maintaining this historic Peters Township treasure.

Besides general donations, the VHS also accepts donations specified for our Capital Reserve Fund. A Donor Information Form is attached to this letter for your convenience. Thank you for your support!

Sincerely,

Venetia Heritage Society Executive Board
Dan Mitchell, President
