Dear \_\_\_\_\_,

The Venetia Heritage Society (VHS) announces its 2021 Annual Membership Drive. We invite you to join our organization to help preserve the 95 year old Venetia School building, now known as the Venetia Community Center. Current members are invited to renew their memberships.

Last year it was decided to repurpose parts of the building, so we can attract local businesses to help offset rising maintenance costs. To do that, it is important to pass township inspection, so we made minor repairs to the interior of the building and installed a new digital lock on the entrance door. The VHS updated our By-Laws, held a General Membership meeting and added several new members to the Executive Board.

The VHS has identified several major projects for the **Venetia Community Center**. These capital improvements include: Repair the outside masonry, replace the windows, repaint the front/back doors, repaint the interior, and continue to fix minor issues to pass township inspection. Members are encouraged to donate to our Capital Improvements Fund.

Please join us in protecting this piece of Peters Township's past for future generations. For your convenience, a membership/donation form is found on the back of this letter. Your email is important to us as we send out informational emails on a regular basis.

Due to the pandemic, our membership drive was delayed. Dues are for the January-December 2021 fiscal year.

Sincerely,

Venetia Heritage Society Executive Board
